Resolution: The IQAC coordinator presented the action taken report of the previous meeting which was organized on November 3rd, 2021. The same was unanimously confirmed by the house.

Agenda Point 3. Approval of student project policy

Resolution: The IQAC coordinator presented the SOP (Standard Operating Process) of Student project policy along with the financial aid provided to students and evaluation parameters. The same was unanimously confirmed by the house.

Agenda Point4.Live/Major projects

Resolution: The IQAC coordinator shared the lists of completed live/major/research projects done in 2021-22 (Even session) along with expected outcomes. The same was unanimously confirmed by the house.

Agenda Point5.Release of amount as per Consultancy Policy

Expert View: Prof (Dr) Sandeep Grover enquired about the amendments made to the policy about remuneration for college staff involved in consultancy work.

Resolution: The IQAC coordinator presented the amendments made to the Consultancy policy. Amended policy is attachedherewith for further suggestions.

Agenda Point6.Calendar (IQAC/Academic/Activity/Placement)

Resolution: The IQAC coordinator presented the calendars for affairs that fall under IQAC/Academic/Activity/Placement.Expertswell appreciated the separate calendar approach.

Action Required- To execute as per plan and keep proper record
Responsibility- All concernedNAAC CriteriaCoordinators

Agenda Point7. Certificate Courses (CC) SoP/finalization of next semester certificate courses

Resolution: The IQAC coordinator presented the list of certificate courses offered in the previous semester and proposed for next session. The house approved the same. Prof Vikas Chawla shared that certificate courses can be offered in consultation withindustries. Chairperson IQAC clarified that we are doing the same practice and informed the members that we have already set up "AI Centre of Excellence" in coordination with Intel and "Centre of Industrial Automation" in collaboration with Festo which will be helpful in training and certifications.

Prof Vikas Chawla also suggested that certificate courses can be started jointly by departments for the students. He also suggested that you can also enrol students from other institutes in certificate courses.

Prof. Manish Gupta Dean R&D asked experts about duration of the certificate courses. Dr. Vikas Chawla suggested planning of CC as per university Calander. Prof. Grover suggested CC should cover the minimum duration of 30 or more than 30 hours for both practical and theory combined or as applicable. Prof. Chawla suggested that you can also get help from Cheema Boilers for starting few certificates courses. He also suggested a CC can be on Electric Vehicles for EE and ME students.

Action Required- To execute as per given suggestions
Responsibility- All concerned Head of Departments

Agenda Point8. Approval of Vision/Mission/PEOs/PSOs

Resolution: The IQAC coordinator shared the Vision/Mission/PEOs/PSOs of departments. Members appreciated it and suggested that you should go ahead and follow the National Board of Accreditationguidelines in preparing it at department level.

Action Required- To execute as per given suggestions
Responsibility- Dr Tejinder Pal Singh Sarao

Agenda Point9. Attainment for lab/training/project courses (parameters)

Resolution: The IQAC coordinator apprised the members about parameters forattainment for lab/training/project courses. The presentation has been attached here. Prof. Grover suggested to follow NBA guidelines.

IQAC coordinator also presented the score card parameters for internal marks evaluations. Academician Experts suggested to follow university guidelines only for evaluating students.

Action Required- Proceed as per suggestion received
Responsibility- Dean Academic Affairs

Agenda Point10. Indirect attainment (Program exit survey/Course end survey)

Resolution: The IQAC coordinator apprised the members about methods of indirect attainment and parameters forattainment. The presentation has been attached here.

Prof. Grover informed the members that a few parameters like parent survey and faculty survey are not part of attainment now. He suggested to follow NBA guidelines.

Action required- Go ahead as per suggestion received
Responsibility- Dr Kanwaljeet Kaur

Agenda Point11. Academic and Administrative Audit (AAA)-Session 2021-22

Resolution: The IQAC coordinator presented the members with the audit report of Academic and Administrative Audit (AAA)-Session 2021-22. The same was unanimously confirmed by the house.

| Action Required- To repeat the practice |
| Responsibility- All HoDs and concerned members |

Agenda Point12. Best practice and distinctiveness

Resolution: The IQAC coordinator apprised the members with best practice and distinctiveness of the departments &campus, respectively. He also seeks suggestions that best practice should be department wise or institute level. Prof. Grover said that it should be at institute level and should be done repeatedly. It should be from a bigger domain at college level. He also suggested to cross check format from SAR for parameters and outcomes. Prof. Grover said distinctiveness is what BFCET is known for and which is beyond the domain of institute and said as presented by IQAC coordinator "social welfare" may be one of the distinctiveness.

| Action Required- to go ahead as per received suggestions |
| Responsibility- Er Kovid Sharma |

Agenda Point13. Feedback analysis and action taken report

Resolution: The IQAC coordinator apprised the members about feedback analysis and proposed actions of the feedback analysis. The members approved the same.

| Action Required- Curriculum feedback (letter to MRSPTU) |
| Responsibility- All HoD's |

Agenda Point14. IQAC Initiatives

Resolution: The IQAC coordinator shared the IQAC initiatives such as BFCET News Letter, Academic Excellence Scholarship (AES-2022) policy, setting up of "AI Centre of Excellence" in collaboration with Intel and "Centre of Industrial Automation" in Collaboration with Festo. All IQAC members appreciated the initiatives.

Agenda Point15. Filling of NAACSSR

Resolution: The IQAC coordinator shared the IQAC initiatives such as BFCET News Letter, Academic Excellence Scholarship (AES-2022) policy, setting up of "AI Centre of Excellence" in collaboration with Intel and "Centre of Industrial Automation" in Collaboration with Festo. All IQAC members appreciated the initiatives.
