VALUES AND  
PROFESSIONAL  
ETHICS**

28<sup>th</sup> December, 2015 to 2<sup>nd</sup> January, 2016

## ABOUT

The aim of Faculty Development Programme is improvement in Faculty and organisational effectiveness. It is a process that demonstrates commonness of purpose of all staff and the crucial nature of individual knowledge to perform assigned duties in relation to the achievement of their larger goals.

Faculty Development Programme is a process directed towards the personal and professional growth of staff. FDP can be viewed as the activities and programs (formal or informal and on or off campus) that help Faculty members to shoulder their responsibilities, develop required skills and competencies necessary to accomplish institutional goals, and grow personally and professionally to prepare themselves for progress of the institution.

The Faculty Development Programme (FDP) is designed to assist the college staff to enhance workskills and improve individual performance by increasing knowledge, hence, enhancing
