Brochure of the Faculty Development Programme

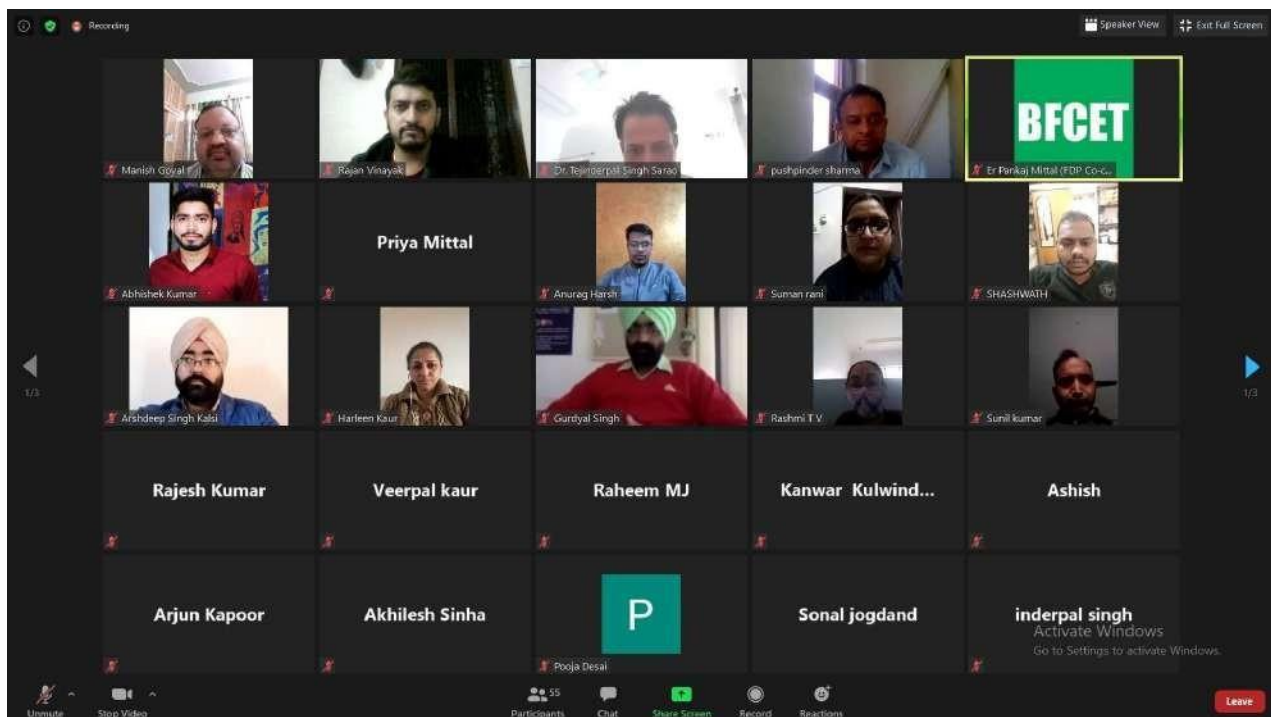

On the very first day during inauguration of the program, Dr PK Khosla, Executive Director, C-DAC Mohali, Prof. Vijay D. Vaidya, Executive Secretary, ISTE and Col. B. Venket, Director, Faculty Development Cell, AICTE, New Delhi congratulated BFCET team for getting selected to organize online Faculty Development Program on Recent Developments in AI & Robotics. Chief guest Dr Khosla shared his views on future applications of Artificial Intelligent and Robotics. Prof. Vaidya shared about the need of such programs and Col. Venket, Director, FDC AICTE shared about different quality initiatives of AICTE for faculty members of Engineering Institutes in India.

BABA FARID COLLEGE OF ENGG. & TECHNOLOGY

FDP Coordinator Dr Tejinder Pal Singh Sarao shared that BFCET received 365 registrations (267 Faculty members and 98 Research Scholars) from 23 States of India which includes 150 Institutions (Central Universities, BITS, NITTTR and State Technical Universities). Out of these 100 participants were allowed to participate in the program as per guidelines of AICTE- ISTE. Experts from prestigious institutes' such as CSIR-CSIO, Chandigarh, College of Engineering, Pune, IIT Ropar, IIT Kanpur, NITTTR Chandigarh, Central University of Punjab Bathinda, Thapar Institute of Engineering & Technology Patiala, C-DAC Mohali along with experts from industry delivered lectures to faculty members participating in the orientation.

On last day of FDP, online quiz was conducted, and feedback was taken from participants followed by Valedictory session which was concluded with a brief report and vote of thanks by FDP Coordinator. Chairman Baba Farid Group of Institutes, Dr Gurmeet Singh Dhaliwal congratulated the Principal BFCET and whole organizing team of FDP.
