

SCHOOL OF SKILL DEVELOPMENT

BFGI SKILL BULLETIN

MONTHLY NEWSLETTER – FEBRUARY 2026

VISION

To become a leading centre for skill development that empowers students with practical competencies, innovation capabilities, and industry-relevant expertise, enabling them to excel in their careers and contribute meaningfully to society.

MISSION

- To promote hands-on learning and practical skill development among students across disciplines.
- To enhance students' professional capabilities through training, competitions, and experiential learning opportunities.
- To encourage innovation, product development, and problem-solving through interdisciplinary collaboration.
- To bridge the gap between academic learning and industry expectations by fostering a culture of continuous improvement and excellence.

Message from the Chairman

It gives me great pleasure to know that the School of Skill Development, BFGI, is launching its Monthly Newsletter. This initiative reflects the institution's commitment to promoting industry-oriented learning, innovation, and a progressive culture of knowledge sharing within the campus.

Such a platform will serve as an effective medium to showcase achievements, initiatives, and the dynamic activities carried out by the School. It will also encourage students to think creatively, participate actively, and develop the confidence and capabilities required to meet the evolving expectations of the professional world.

I appreciate the efforts of the School of Skill Development in taking this meaningful step and extend my best wishes for the continued success of this initiative. I am confident that this newsletter will grow into a valuable source of inspiration and pride for the entire BFGI community.

Warm Regards

Dr. Gurmeet Singh Dhaliwal

Chairman

Baba Farid Group of Institutions

Message from the Campus Director

It is indeed heartening to see the School of Skill Development taking progressive initiatives to cultivate a dynamic environment of experiential learning, innovation, and creativity. Such initiatives provide students with meaningful opportunities to explore their potential, apply knowledge in practical contexts, and develop confidence through active engagement and participation.

The School's continuous efforts to encourage innovation, collaborative learning, and creative problem-solving are highly commendable. By promoting a culture of curiosity, dedication, and excellence, the School is contributing significantly towards shaping capable and forward-thinking individuals who can make meaningful contributions to society.

These initiatives truly reflect the progressive vision of BFGI in nurturing talent, encouraging innovation, and fostering holistic development among students. I appreciate the dedication and collective efforts of the entire team and extend my best wishes for many more impactful initiatives and achievements in the times ahead.

Best Wishes

Dr. M.P. Poonia

Campus Director

Baba Farid Group of Institutions

Message from the Associate Dean

It gives me great pleasure to present the Monthly Newsletter of the School of Skill Development, highlighting the dynamic initiatives and achievements accomplished during the month. The School continues to work with a clear vision of strengthening practical learning, innovation, and student engagement through its four dedicated centres focused on employability enhancement, skill development, product innovation, and competitive excellence.

Through structured training programs, technology-driven workshops, product development initiatives, and active participation in skill competitions, our students are gaining valuable exposure and hands-on experience beyond the classroom. These efforts are helping them develop confidence, creativity, and the practical competencies required to meet the evolving demands of industry and society.

I sincerely appreciate the dedication of our students, faculty members, trainers, and mentors whose collective efforts are driving the success of these initiatives. I am confident that the School of Skill Development will continue to create meaningful opportunities and achieve many more milestones in the journey ahead.

Best Wishes

Dr. Nimisha Singh

Associate Dean, School of Skill Development

Baba Farid group of Institutions

The School of Skill Development functions through four specialised centres designed to strengthen practical learning, innovation, and career readiness among students.

Four Centres of the School of Skill Development headed by dynamic team :

MS HIMANI - ASSISTANT DEAN

CENTER FOR EMPLOYABILITY ENHANCEMENT (CEE)

This center focuses on preparing students for the professional world through structured training in communication skills, aptitude, interview preparation, group discussions, and workplace readiness.

DR. AMANDEEP SINGH-ASSISTANT DEAN

CENTER FOR SKILL ENHANCEMENT (CSE)

This center promotes hands-on technical and professional learning by organising certificate courses, workshops, expert talks, and technology-driven training programs aligned with emerging industry trends.

DR.MANPREET SINGH - ASSISTANT DEAN

CENTER FOR PRODUCT DEVELOPMENT (CPD)

This center encourages innovation and entrepreneurship by guiding students to convert ideas into prototypes and develop practical products through interdisciplinary collaboration.

ER. SUMIT - ASSISTANT DEAN

CENTER FOR SKILL COMPETITION (CSC)

This center encourage students to participate in national and international competitions, hackathons, and innovation challenges, helping them showcase their abilities and build a strong competitive spirit.

Center for Skill Enhancement (CSE)

1. Empowering Students with Data Skills: Training Conducted with NIIT Foundation

A training program on Data Analytics was organized for the students of the School of Engineering and the School of Computer Applications in collaboration with NIIT Foundation from February 3 to February 5 2026. The program aimed to introduce students to the fundamentals of data analytics and its growing importance in modern industries.

During the sessions, participants were exposed to essential concepts such as data collection, data processing, visualization techniques, and practical tools used for analysing real-world datasets.

The training focused on developing analytical thinking and hands-on skills, enabling students to understand how data-driven insights support decision-making in various sectors. The initiative provided a valuable learning opportunity for students to strengthen their technical competencies and prepare for emerging career opportunities in the field of data analytics.

Skill Enhancement Training by NIIT Foundation

2. Three-Day Business Analytics Training Held by Excellence Technologies, Mohali

A training program on Business Analytics was conducted from February 3 to February 5, 2026, for the students of the School of Business Studies in collaboration with Excellence Technologies. The program focused on introducing students to the practical applications of analytics in business decision-making. During the sessions, participants were familiarized with key concepts such as data interpretation, business intelligence tools, and analytical techniques used to evaluate market trends and organizational performance.

The training emphasized the role of data-driven strategies in modern business environments and helped students develop analytical and problem-solving skills relevant to industry needs. The initiative provided valuable exposure to real-world business analytics practices, enhancing students' readiness for careers in the data-driven business landscape.

3. AI India Impact Summit 2026 Pre-Summit Workshop Organized at Baba Farid College of Engineering and Technology

As a pre-summit activity of the AI India Impact Summit 2026, a workshop themed Artificial Intelligence in Science: Methods, Models, and Research Impact was organized at Baba Farid College of Engineering and Technology under the national initiative AI for Atmanirbhar Bharat, with encouragement from All India Council for Technical Education. The event began with participant registrations, followed by the welcome and badging of dignitaries. Dr. Jyoti Bansal welcomed the gathering, after which the ceremonial lamp lighting marked the formal inauguration.

Around 250 students and participants attended the workshop, including delegates from GNA University, Guru Kashi University, DAV College Jalandhar, and Bhai Gurdas College, reflecting strong academic participation. The technical sessions featured expert talks by Dr. Amandeep Kaur from Central University of Punjab on next-generation AI systems and deployment strategies; Dr. Jitendra Aneja from AIIMS Bathinda on AI-driven psychiatry and intelligent diagnostics; and Dr. Satwinder from Central University of Punjab who explained the evolving landscape of Generative AI, AI agents, and agentic AI.

Participants remained actively engaged throughout the sessions, fostering meaningful discussions and collaborative learning. The program concluded with a vote of thanks by Dr. Nimisha Singh, Associate Dean, School of Skill Development, who appreciated the speakers, faculty members, student volunteers, and participating institutions for their valuable contributions. The pre-summit activity reaffirmed the institution's commitment to advancing AI-driven research, innovation, and skill development in line with the national vision of a technologically empowered and self-reliant India.

Planning Outline – March 2026

- Resume Building & Employability Scorecard Assessment
- Professional Edge – Career Essentials Training
- Confidence Building Session – Half Chair to Full Chair Confidence
- Hiring Simulation Activity – The Hiring Arena
- Mushroom Cultivation Unit Training & Demonstration
- Soil Testing Workshop at PAU Regional Station, Bathinda
- Android App Development Skill Training
- Expert Talks & Technical Workshops by Industry Experts
- Participation in Hackathons, India Skills & Innovation Competitions
- Industry Visit for Practical Exposure
- Product Planning & Evaluation Sessions
- Screening and Display of Student Innovation Projects
